Filing Check List

- Step 1:** Review, sign and date each form
- Step 2:** Make a copy of each form for your records
- Step 3:** Prepare your filing fee and gather documents to submit
- Step 4:** Mail the completed forms to USCIS

Step 1: Review, sign and date your application

Please review your printed form/application carefully. You need to make sure that each response reflects the information that you want to communicate to United States Citizenship and Immigration Services (USCIS). Mistakes and omissions of information will cause delays and may even result in your application to be rejected. Reviewing the completed application is applicant's responsibility. CitizenPath will not accept responsibility for the rejection or denial of an application due to the applicant's failure to review the application.

After you have reviewed the form/application and are comfortable that it is completed accurately, please sign and date it.

- Sign your full name in the box labeled "Signature".
- Write the date in the box labeled "Date (mm/dd/yyyy)" using the month/date/year format.

Your application must contain an original signature. A photocopy of a signed application or a typewritten name in place of a signature is not acceptable. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. If signing for a child under 14 years of age, sign the child's name, then write "By" and sign your name.

Step 2: Make a copy of your final application for your records

For your convenience, CitizenPath will keep a copy of your applications on record. However, we highly recommend that you make a copy for your own records.

Step 3: Prepare your filing fee and gather documents to submit

You must file Form I-821 together with Form I-765.

Additionally, you must send in the following items with your forms:

- Submit \$465 payment for your USCIS fees with this application. (The total payment includes an \$85 biometric fee and \$380 I-765 filing fee. The I-821 filing fee is not applicable.) The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency. Make the check or money order payable to U.S. Department of Homeland Security.
- A copy of Form I-94, Arrival-Departure Record (front and back), if available.
- A copy of your last EAD (front and back). If no prior EAD has been issued, you must submit a copy of a government-issued identity document. Include one of the following:
 - A copy of your passport showing your picture, name, and date of birth; or
 - A birth certificate with photo ID; or
 - A visa issued by a foreign consulate; or
 - A national ID document with photo and/or fingerprint.

The identity document photocopy must clearly show the facial features of the applicant and the biographical information.

- Two identical passport-style color photographs of yourself taken within 30 days of filing this application.**

The photos should:

 - Be 2" x 2" in size
 - Have head height of 1" to 1 3/8" from top of hair to bottom of chin
 - Have eye height between 1 1/8" to 1 3/8" from bottom of photo
 - Have bare head unless you are wearing a headdress as required by a religious order of which you are a member (face must be visible)
 - Have a white to off-white background
 - Be printed on thin paper with a glossy finish
 - Not be mounted or retouched
 - Have your name and Alien Registration Number (A-number) written lightly in pencil on the back of each photo. If you do not have an A-Number, write your birthday.

- Submit evidence that your initial Form I-821, Application for Temporary Protected Status, was accepted or approved.

Any document containing foreign language submitted to USCIS must be accompanied by a full English language translation which the translator has certified as complete and accurate, and by the translator's certification that he or she is competent to translate from the foreign language into English.

Step 4: Mail the completed application to USCIS

Use a 9" x 12" envelope (or larger if necessary to accommodate documentation)

- Write your return address in the upper left corner of the envelope. If there is any problem sending your petition, the mail carrier should return it to this address.
- Insert your applications as well as supporting documents and payment in the envelope and mail from a post office by certified mail or a courier service that provides a return receipt. Your application should be organized in the following order:
 - Payment (check) paper clipped to top page of Form I-821
 - Form I-821
 - Form I-765
 - Supporting documents

For the mailing address, refer to the most recently published Federal Register notice for the country you are eligible. You can find all at www.uscis.gov/tps. Select the country and the correct address based on your state and desired mailing method.

CitizenPath recommends you take your envelope into a post office to mail so that you can ensure that you have included proper postage and use certified mail or a courier service. Keep your return receipt in a safe place (such as with your other immigration-related paperwork).

What's Next?

1. Once your application has been accepted by USCIS, it will be checked for completeness. Incomplete applications may be denied at this point.
2. Next, USCIS will inform you in writing when to go to your local USCIS Application Support Center (ASC) for a biometrics services appointment. If you cannot make the appointment that is set for you, communicate with the office to reschedule it.
3. You may be contacted by USCIS for additional information to support your application.
4. Finally, you will be notified of the decision in writing.
