Step 1: Review, sign and date your application

Please review your printed form/application carefully. You need to make sure that each response reflects the information that you want to communicate to United States Citizenship and Immigration Services (USCIS). Mistakes and omissions of information will cause delays and may even result in your application to be rejected. Reviewing the completed application is applicant's responsibility. CitizenPath will not accept responsibility for the rejection or denial of an application due to the applicant's failure to review the application.

After you have reviewed the form/application and are comfortable that it is completed accurately, please sign and date it.

- Sign your full name in the box labeled "Signature".
- Write the date in the box labeled "Date (mm/dd/yyyy)" using the month/date/year format.

Your application must contain an original signature. A photocopy of a signed application or a typewritten name in place of a signature is not acceptable. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. If signing for a child under 14 years of age, sign the child's name, then write "By" and sign your name.
Step 2: Make a copy of your final application for your records

For your convenience, CitizenPath will keep a copy of your applications on record. However, we highly recommend that you make a copy for your own records.

Step 3: Prepare your filing fee and gather documents to submit

You must send in the following items with your N-400 application:

- A photocopy of both sides of your Permanent Resident Card (green card).
  If you have lost your card, submit a photocopy of the receipt of your Form I-90, Application to Replace Permanent Resident card.

- Two identical passport-style color photographs of yourself taken within 30 days of filing this application.
  The photos should:
  - Be 2" x 2" in size
  - Have head height of 1" to 1 3/8" from top of hair to bottom of chin
  - Have eye height between 1 1/8" to 1 3/8" from bottom of photo
  - Have bare head unless you are wearing a headdress as required by a religious order of which you are a member (face must be visible)
  - Have a white to off-white background
  - Be printed on thin paper with a glossy finish
  - Not be mounted or retouched
  - Have your name and Alien Registration Number (A-number) written lightly in pencil on the back of each photo.

- Based on your response of “Yes” to one or more questions in Part 11, Items 1-45 (except 37 and 38), CitizenPath encourages you to consult with an immigration attorney before filing your application. When you are ready to file, you must:
  - Attach a written explanation on a separate sheet that details why you answered “Yes”
  - Attach any additional information or documentation that helps explain your answer.

- If you did not register with the Selective Service System (as indicated in Part 11, Item 46) and are still under 26 years of age, you must register by calling 1-888-688-6888 and hand write the information on your application before filing it. If you are over 26 years of age, you
must send a statement explaining why you did not register with Selective Service.

☐ Submit $680 payment for your USCIS fees ($595 application fee + $85 biometrics services fee) with this application. (Applicants 75 years or age or older are exempted from the fingerprinting and the biometrics services fee.) The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency. Make the check or money order payable to U.S. Department of Homeland Security.

Any document containing foreign language submitted to USCIS must be accompanied by a full English language translation which the translator has certified as complete and accurate, and by the translator's certification that he or she is competent to translate from the foreign language into English.
Step 4: Mail the completed application to USCIS

Use a 9” x 12” envelope (or larger if necessary to accommodate documentation).

Write your return address in the upper left corner of the envelope. If there is any problem with the mail, the mail carrier should return it to this address.

Insert your Form N-400 as well as supporting documents and payment (if applicable) in the envelope and mail from a post office by certified mail or a courier service that provides a return receipt.

If you would like to mail your application via U.S. Postal Service (USPS), address it to:

   USCIS
   P.O. Box 660060
   Dallas, TX 75266

If you prefer to mail your application using Express Mail or commercial courier deliveries, address it to:

   USCIS
   Attention: N-400
   2501 S. State Hwy 121 Business Ste 400
   Lewisville, TX 75067

CitizenPath recommends you take your envelope into a post office to mail so that you can ensure that you have included proper postage and use certified mail or a courier service. Keep your return receipt in a safe place (such as with your other immigration-related paperwork).
What's Next?

1. Once your application has been accepted by USCIS, it will be checked for completeness. Incomplete applications may be denied at this point.

2. Next, USCIS will inform you in writing when to go to your local USCIS Application Support Center (ASC) for your biometrics services appointment. USCIS requires applicants to be fingerprinted for the purpose of conducting Federal Bureau of Investigation (FBI) criminal background checks. All applicants must have background checks completed before USCIS will schedule an interview. If you are 75 years old or older at the time of filing, you are exempted from the fingerprint requirements, but are subject to all other background checks.

3. Once all the preliminary processes on your case are complete, USCIS will schedule an interview with you to complete the naturalization process. Report to the USCIS office at the date and time on your appointment notice, and take the appointment notice with you. It is very important not to miss your interview. If you have to miss your interview, you should write to the office where your interview is to be conducted as soon as possible and ask to have your interview rescheduled. Rescheduling an interview may add several months to the naturalization process, so make all attempts to attend your original interview date.

4. You will be issued a written notice of decision for your N-400 application. If an approval is granted, you will be eligible for naturalization. You must take the Oath of Allegiance.

5. Some people may be able to participate in the oath ceremony on the same day as your interview. If a same day oath ceremony is unavailable, USCIS will mail you a notification with the date, time, and location of your scheduled oath ceremony. Again, make every effort to attend the oath ceremony on the day USCIS scheduled you; rescheduling will delay your naturalization.

6. You are not a U.S. citizen until you take the Oath of Allegiance at a naturalization ceremony. The oath is administered by USCIS at an administrative ceremony or by a judge in a judicial ceremony. A court has exclusive authority to conduct the ceremonies in certain USCIS districts. You receive your Certificate of Naturalization after taking the Oath of Allegiance.

Good Luck!
